

THE \$400 BONUS. OUR FIRST COMMITMENT TO THE GROWTH OF YOUR BUSINESS.

Huntington is passionate about fostering the growth of local businesses like yours. In fact, we've made it our mission to strengthen the local economy by helping the smart, responsible businesses that move it forward. That's why we're the #1 Small Business Administration lender¹ in our region. But our commitment doesn't stop there.

We can also help your business run more efficiently and effectively with a **Huntington Community Business Checking account** and a **\$400 bonus** for your business.

Money in your pocket. Reinvestment in your community.

It's pretty simple, really. When you open a Huntington Community Business Checking account, we'll give your business \$400², and all you have to do is make a cumulative deposit of at least \$2,000 within 60 days of account opening.

Huntington Community Business Checking

An easy-to-manage account for businesses with an average balance of \$5,000 or less and up to 100 transactions per month.³

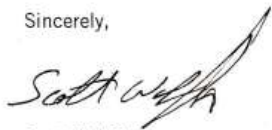

Key features include:

- **Online Banking and access to Bill Pay** - Control your business finances 24/7, anytime, anywhere.
- **No monthly service fee when you choose e-statements**

Don't miss out on your chance to switch to Huntington Community Business Checking, get an extra \$400 in your pocket, and the satisfaction of working with a bank that's looking out for your local economy.
