

FIRST FEDERAL BANK

## RECEIVE UP TO \$150! When You Open a New First Federal Bank Checking Acct

EXPIRES 08/14/2018

When you open a First Federal Bank checking account, we'll help you stuff your wallet. All you have to do is make ten debit card purchases and three payments using Bill Pay – spending at least \$15 each time. So, go shopping. Order a couple pizzas. Pay your phone bill. Then, pay your friend back for dinner. Before long, two \$75 deposits will magically appear in your account. It's kinda like finding \$50 in the pocket of an old coat. Except better, by a hundred bucks. Coupon void if altered.
