1. To qualify for the \$300 checking bonus, open a new Fifth Third Momentum® Checking or Preferred<sup>2</sup> checking account by 11/30/2021 and make direct deposits totaling \$1,000 or more within 60 days of account opening. The \$300 checking bonus does not require any additional activities. To get the additional \$400 bonus, you must meet the requirements above and also increase your total deposit balances to \$15,000 within 45 days of account opening and maintain that increased balance as a minimum daily balance thereafter for 90 days. Total deposit balances are defined as your total checking, savings and/or CD balances and the increased balance may be in any combination of these accounts. A qualifying Direct Deposit is an Automated Clearing House (ACH) credit, which may include payroll, pension or government payments (such as Social Security). The cash bonuses will be deposited into the checking account within 10 business days after qualifying activities are met. In order to receive the cash bonus, your checking account must be open and in good standing. Offer is not available to existing Fifth Third customers, or those with a Fifth Third checking account that closed within the last 12 months. Bank reserves the right to limit each customer to one new account-related gift incentive per calendar year. Eligibility may be limited based on your account type and ownership role. Account(s) must be funded within 45 days of account opening. No minimum deposit required to open a checking account. Accounts may have fees that may reduce earnings and impact ability to meet minimum daily balance requirements. Bonus

may be taxable as interest income and reported on IRS Form 1099-INT. Consult your tax advisor. **UNIQUE OFFER CODE ON MAIL PIECE MUST BE PRESENTED AT ACCOUNT OPENING TO RECEIVE THE BONUS.** See your banker for details. Not valid with any other offer.

2. Preferred Checking is an interest-bearing checking account and all balances earn 0.01% Annual Percentage Yield (APY) in all markets. APYs are accurate as of 8/14/21 and may change at any time.
3. Fifth Third Momentum® Banking benefits are only available with Fifth Third Momentum® Checking.
4. Fifth Third employs a number of fraud protection measures and offers you fee-free tools, such as alerts, to help protect your account. You may also enroll in Fifth Third Identity Alert®, an optional, non-FDIC insured product, subject to additional fees, provided by Fifth Third's vendor, Trilegiant.
5. Early Pay grants you access to your eligible direct deposit payments up to two days prior to the scheduled payment date. Early availability is based on the timing of the payer's payment instruction and standard fraud prevention restrictions apply.
